Please accept this as my request to establish an escrow account with Ditech Financial LLC (“ditech”) to pay my hazard and/or flood insurance premiums. As part of this request, I agree:

- I am requesting the establishment of an escrow account.
- I must provide a copy of the invoice for my property insurance policy that ditech will attempt to pay with funds advanced from the escrow account.
- I must provide the contact information for my insurance agent or company.
- My insurance agent or company must agree to reinstate my existing policy if payment is advanced.
- If my current insurance company will not accept payment and reinstate my current policy, I may obtain an invoice showing premium due for a new policy that can be paid from the escrow account.
- I must reimburse the escrow advances through an increase in my monthly payments:
 - To repay the initial escrow advance
 - To accumulate sufficient funds in order to pay the property insurance premium associated with the following annual policy term
